Dear Ms Phillips,

In light of recent tragic events that have transpired, resulting in a refocusing of personal and public commitments, I have elected to withdraw my appeal of the grievance vs. DHSS, Docket No. 01-02-237.

I am hopeful that this grievance has helped the DHSS/DMS and State Personnel identify accountability problems in Maintenance Review and Salary Change procedures. I trust that the Department will take the necessary steps to assure employees are properly and punctually notified of Maintenance Review results, and that preemptive steps are taken to avoid future errors in Payroll.

Should the Department wish to consult with me further in this matter, I will be happy to make my services available.

Sincerely,

Elizabeth V. Dubravcic,
Master of Labor & Human Resources
